Dear Mayor and Council,

I write in support of the bylaw text amendment allowing a permanent liquor license application at 735 Eighth Ave. (Massey Theatre).

The society is developing their expanded space, Eighth and Eight into a thriving cultural hub, a community gathering space. Adding a food and beverage program can improve the economic viability of the society and enhance the experiences.

Massey Theatre has successfully and safely held numerous temporary liquor licenses over the years. I feel confident the Massey Theatre Society will be respectful and responsible in their use a permanent liquor license, and use it to make Eighth and Eight an even more engaging destination for residents and visitors alike.
