City of New Westminster,
511 Royal Avenue, New Westminster, BC
V3L 1H9

To City of New Westminster Mayor and Council,

Re: Proposed Official Community Plan Amendment and Heritage Revitalization Agreement for Holy Trinity Cathedral at 514 Carnarvon St.

I am writing to support the proposed Official Community Plan Amendment and Heritage Revitalization Agreement for Holy Trinity Cathedral at 514 Carnarvon St. in New Westminster. Heisei Budo recognizes the importance of this project to the New Westminster community and the various benefits this project offers.

Heisei Budo offers self-defence training for the community of New Westminster in order to help its residents feel more safe and secure and to educate them on simple, effective means to secure themselves, their homes and their families. The Holy Trinity Cathedral Parish Hall has served as a facility for Heisei Budo for the past 14 years. Heisei Budo regularly rents the Parish Hall 4-5 times/month. I am, personally, also a long time homeowner and resident of New Westminster since 2006.

The proposal for Holy Trinity Cathedral not only provides a new Parish Hall for community use, but also includes various benefits for the New Westminster community to enjoy. These benefits include a publicly accessible plaza, a children's play area, and a fully accessible public pedestrian thoroughfare from Carnarvon Street to Clarkson Street.

Heisei Budo supports the Holy Trinity Cathedral redevelopment project and looks forward to this project moving forward.

Sincerely,

Dan Rheaume
