

Attachment #2:

*514 Carnarvon Street – Holy Trinity Cathedral
Summary of Revisions to Conservation Plan*

514 Carnarvon Street – Holy Trinity Cathedral Summary of Revision to Conservation Plan

Original Document: Holy Trinity Cathedral Conservation Plan by Donald Luxton and Associates (August 2017)

Updated Document: Holy Trinity Cathedral Conservation Plan by Donald Luxton and Associates (October 2021)

Content Revisions:

- *Throughout*: minor wording changes to strengthen the commitments in the plan such as changing “would consider” to “will” or removing “if determined to be necessary”.
- *Section 2.3: Summary of Benefits* - has been updated to include addition sections on:
 - Public Access
 - Archaeological Overview Assessment
 - First Nations Context
 - Reconciliation with Indigenous People
- *Section 6.3: Exterior Walls* – reference to retaining exterior parging removed
- *Section 6.6: Roof* – added requirement for rain water disposal system
- *Section 6.6.1: Chimney* – removed reference to repointing and painting of chimney (note: this is incorrectly numbered in the updated document as section 5.6.1)
- *Section 6.7: Exterior Colour Schedule* – updated reference to exterior colour scheme noting it is now available and will be confirmed by colour testing

Formatting Revisions:

- *Throughout Document* - page headers have been removed throughout the document.
- *Section 3.7.1: Historic Furnishing* – formatting to better fit and relate to text with images
- *Section 4: Statement of Significance* – formatting to fit text on one page and added image on facing page.
- *Section 5.4: Sustainability Strategy* – formatting so final bullet on page does not hang over to next page.
- *Section 6.3: Exterior Walls* - formatting to bring bullet to previous page
