Construction Notice for Neighbours**January 6, 2023**

Noise Bylaw Exemption on January 10

Dear Neighbours,

We have received approval from the City of New Westminster for a Noise By-Law Exemption to extend our hours of construction activities from 8 p.m. to 11 p.m. an average of 3 times per month with 24 hours advanced notice to you from May 30, 2022 to January 31, 2023. This excludes Sundays, the Friday and Saturdays of long weekends, Statutory Holidays, and the period from December 24 to January 1, 2023.

This is to notify you that we will extend our hours on **January 10 (subject to change)** to facilitate concrete finishing activities between 8 p.m. and 11 p.m. We apologize in advance for any inconvenience. Please note, there is an area wide cement shortage causing disruptions in concrete supply which may impact these dates.

For any issues on site please first call our 24-hour on site Security at 604 306-2517. The EllisDon supervisor on call for the pour can be reached by calling the security number.

Thank you for your patience and understanding as we work on the hospital redevelopment.
