RE: Saturday work between 7:00am – 9:00am at Pier West site located at 660 Quayside Drive

Dear Neighbours,

Please be advised that we will start work at 7:00am this Saturday, June 17.

Between the hours of 7:00am to 9:00am, the tower crane will lift equipment in preparation for a full day of setup (concrete placing boom, crane brace & climbing cage). We will ensure there is limited construction noise produced during this early work.

If you have questions or concerns while this work is occurring, feel free to contact:

Grant, Bosa Development site superintendent: 604-908-1377

Thank you for your ongoing patience and understanding.

Sincerely,

Grant Balacko

Site Superintendent
