To whom it may concern, In regards to the subject listed above, I would like to register my disagreement with this project.

I am a senior citizen who has been residing in this building for over 25 years & feel that this will affect me in an extremely negative way. I am **Personal Information**.

All the noise & construction will be detrimental to my health & well being, since I am at home more than 80% of the time.

I am **Personal Information** where a large amount of the work will be done & feel this will be extremely difficult for me to handle.

Thank you for your consideration.

Sincerely,

Lauren Hanson
