4. The Owner or Occupier shall reimburse the City for the cost of repairing any damages suffered by any City containers in the applicant's possession not caused by the City or the City Agent or equipment or reasonable wear and tear and shall deliver up all containers to the City upon the termination of his agreement in good condition.
5. The Owner or Occupier shall keep the City containers in any part of the applicant's premises as the City Engineer may require available for inspection by his representative at all reasonable times and shall provide a loading area for the City containers from which they can be emptied safely and conveniently into the vehicles of the City used from time to time for the transportation thereof and shall place the City containers on the loading area in due time for pick up by the City.
6. The Owner or Occupier shall not use or cause, suffer or permit to be used by the City containers for the storage or disposal of any substance considered by the City Engineer to be dangerous or harmful to life or property, or likely to damage the said container, and shall not use them other than for the purpose of containing garbage or other waste material.

G. SENIOR CITIZEN WAIVER

Council hereby waives 25% of the Residential Rate it imposes in this bylaw for the purpose of solid waste removal and recycling for persons who certify that they are 65 years of age or over during the calendar year, who was the sole occupier of the dwelling unit in a house for which the charge is assessed during the calendar year, who is a registered owner of the property either solely or with others during the calendar year and who submits to the City an application in a form provided by the City.

Next 50,000 cu. ft.	4.250 per 100 cu. ft.		
In excess of 100,000 cu. ft.	2.120 per 100 cu. ft.		
(ii) A user of the sewerage system who establishes to the satisfaction of the City Engineer that the discharge into the sewerage system is less than eighty percent of the water delivered by the municipal waterworks system to his parcel of real property.			
<ul style="list-style-type: none"> a. By using in whole or in part the water so delivered in an industrial or commercial process or product, or in irrigation; or b. By discharging the water so delivered or part thereof directly into a natural water course or body of water; 			
shall have the user charge reduced corresponding to the actual quantity of discharge.			

- (iii) A user of the sewerage system who obtains water from a source other than or in addition to the municipal waterworks system shall have the charge increased corresponding to the actual quantity of discharge.

C. SENIOR CITIZEN WAIVER

Council hereby waives 25% of the Residential Rate it imposes in this bylaw for the purpose of providing sewage for every person who certifies that he or she is 65 years of age or over during the calendar year, who was the sole occupier of the dwelling unit in a house for which the charge is assessed during the calendar year, who is a registered owner of the property either solely or with others during the calendar year and who submits to the City an application in a form provided by the City.

D. VACANT / NON-SEPARATE SECONDARY SUITES

For the purposes of this Part 6.0 (Sewerage System User Fees and Rates), the term “Vacant / Non-Separate Secondary Suite” means a Secondary Suite in a Single Detached Dwelling that is the only Secondary Suite in that dwelling, and

- (a) the Secondary Suite is vacant; or
- (b) the Secondary Suite is being used only by the people occupying the principal unit within the Single Detached Dwelling; or
- (c) the Secondary Suite is occupied by a family member of the family occupying the principal unit within the Single Detached Dwelling and the family member has significant interaction with the family by:
 - (i) eating meals together; and/or
 - (ii) providing childcare; and/or
 - (iii) regular indoor passage between the Secondary Suite and the principal unit within the Single Detached Dwelling.

To qualify for the fee exemption applicable to Vacant / Non-Separate Secondary Suites, the owner of the Single Detached Dwelling must:

- (d) arrange a City inspection of the Suite to confirm there are no indications of the Suite being occupied as a separate and independent housing unit, and
- (e) execute under oath a Statutory Declaration that:
 - (i) the Suite meets the requirements in this Bylaw for a Vacant / Non-Separate Secondary Suite;
 - (ii) the owner will promptly inform the City if the Suite should ever cease meeting the requirements of this Bylaw for a Vacant / Non-Separate Secondary Suite; and
 - (iii) the owner must acknowledge that even if notice under clause (ii) is given, the City is not confirming that the Suite may be lawfully or

safely occupied as a separate and independent housing unit and it is possible that the Suite cannot be lawfully or safely occupied as a separate and independent housing unit until improvements are completed (with all required City permits and inspections) to the standards required by the BC Building Code, City bylaws and the City's Design Guidelines.

E. REFUNDS OF SEWERAGE SYSTEM USER FEES AND RATES

If a Secondary Suite qualifies as a Vacant / Non-Separate Secondary Suite and if the owner of the Single Detached Dwelling containing the Suite obtains an exemption under Section D of this Part 6.0 and if the Suite was eligible for the exemption in prior years, but the current owner did not apply to the City for an exemption under this Bylaw, then the owner may apply to the City for a refund of the Sewerage System User Fees and Rates the owner has paid to the City in relation to the Suite and upon receipt of satisfactory information, the City will refund the Sewerage System User Fees and Rates paid by that owner for the year of the request (if applicable) and for the prior calendar year, but for no previous years.

F. DUE DATE, ADDITION TO TAXES

The Sewerage System User Charges listed in this Bylaw are due and payable to the City on December 30th of the year of billing.

Where indicated by this Part 6.0, charges paid within 60 days of the billing date are subject to a 5% discount.

If a Sewerage System User Charge imposed by this Bylaw is unpaid on December 31st of the year that it is imposed, the charge (including accrued interest) is deemed to be taxes in arrears.
