We have received approval from the City of New Westminster for a Noise By-Law Exemption to extend our hours of construction activities on Saturdays from 7 a.m. to 6 p.m. This excludes Saturdays of long weekends and the period from December 24, 2024, to January 1, 2025.

This is to notify you that we will extend our hours on **June 1st** so work can proceed at the JPACT. We apologize in advance for any inconvenience.
