Good day City Staff:

I refer to the big sign outside our local RC Legion. I fully support and want this change to occur as fast as possible. With the shutdown of the Union Jack Pub plus the loss of other local restaurants, pubs and bar.....we have little choice or nowhere to go now.

Not only do we need more options for fun, food and liquor beverage service.....the City and the Liquor Control Board MUST immediately 'pave the way', to make it easier, faster, cheaper for all New Westminster Residents to enjoy the fine hospitality of the Royal Canadian Legion Branch No.2 I will say that (sadly) many of their members are older people who are ill, infirmed or dying and there is a dwindling population of those who have faithfully served CANADA.

It is your responsibility and to get this change done quickly, efficiently and with a smile.....all for the benefit of the New Westminster Taxpayer Residents.

Kindly acknowledge receipt and advise when this minor Liquor License type revision, will be approved / changed and implemented.

Thank you.

Best personal regards eh!

You should not grant extended hours of operations, not only that, you should recind their licence, the whole building shakes with their over the top loud bands on the weekends, parking in the tear of the building, yelling, laughing and smoking pot, burnt out mufflers making very loud noises, big motorcycles reving their invites, driving drunk.
I've seen it all, I've lived here for over twenty years and they have been selfish and inconsiderate to the people that live here, a disgrace to our veterans
