Royal Columbian Hospital Redevelopment

Construction Notice for Neighbours

September 1, 2024

Construction Noise Bylaw Exemption on Sept. 4 to Sept. 17

Dear Neighbours,

We have received approval from the City of New Westminster for a Construction Noise By-Law Exemption to extend our hours of construction activities for one evening between September 4th to September 17th.

The set date is yet to be finalized.

This is to notify you that we will extend our hours through (5:00 PM) to (7:00 AM) the following day so work can proceed overnight at the James Pattinson Acute Care Tower. We apologize in advance for any inconvenience.

For any issues on site please first call our 24-hour on site Security at 604 306-2517. The EllisDon supervisor on call can be reached by calling the security number.

Thank you for your patience and understanding as we work on the hospital redevelopment.

EllisDon & Royal Columbian Hospital Redevelopment Team
