-  **Transit Village**
-  **Housing Capacity & Choice**
-  **Streets for People**
-  **Coast Salish Cultural Contributions**
-  **Green Networks**
-  **Social Connections**
-  **Climate-Friendly Buildings**

Transit Village

A well-connected place with a range of safe, sustainable, and enjoyable mobility options that reduce vehicular dependence and lower transportation-related emissions.

Streets for People

A well-connected place with a range of safe, sustainable, and enjoyable mobility options that reduce vehicular dependence and lower transportation-related emissions.

Green Networks

A diverse system of ecologically-rich, resilient public green spaces and corridors, supported by green private and semi-private spaces.

Coast Salish Cultural Contributions

A community that celebrates the Coast Salish context of the lands, and where opportunities for cultural revitalization and reconciliation are provided.

Social Connections

A vibrant and inclusive community with a range of social spaces where diverse people can gather, connect, and support each other.

Climate-Friendly Buildings

Low-carbon, low-emissions buildings, powered by clean and renewable energy, and designed to provide safety and comfort through extreme weather, support reduced energy consumption, and minimize waste.

Housing Capacity & Choice

A neighbourhood of abundant housing with a mix of tenures and affordability levels, and somewhere for everyone to call home.

reGENERATE Ideas Challenge Submission

Fiscally Responsible Approach

A livable neighbourhood that balances growth and long-term municipal financial resilience.

Consultation Round 2

- Online & in-person engagement
- Outreach to external agencies
- Consultation with First Nations

Recommendations

THAT Council provide feedback on the big moves and strategy highlights in reGENERATE, a Vision for the neighbourhood around the 22nd Street Station.

THAT Council direct staff to undertake round two of public engagement for the Vision, as detailed in this report.
