minutes of the December
16, 2024 Regular Council
meeting.

December 16, 2024

City of New Westminster
Building and Zoning Department
City of New Westminster
511 Royal Avenue
New Westminster, BC
V3L 1H9

To Whom It May Concern,

Re: Request to Relocate North Root Cannabis to a New Location

I respectfully urge the City of New Westminster to recognize that the relocation requests from North Root Cannabis and Queensborough Cannabis, although both part of the 2018/2019 rezoning process, are distinct matters that deserve independent consideration. North Root Cannabis is seeking to relocate within the same Sapperton area, ensuring continuity in serving the local community, whereas Queensborough Cannabis is pursuing a relocation to an entirely different area. These proposals involve unique circumstances, locations, and compliance factors that must be evaluated on their own merits. Treating these requests as separate items for discussion and decision-making will ensure a fair and transparent process, enabling Council to thoroughly assess how each relocation aligns with the City's bylaws, strategic objectives, and the needs of the community.

Sincerely,

"Steven Baskott"

Owner and Operator
North Root Cannabis Ltd.
