Re: The 18 month Temporary Use Permit for Purpose Society to continue to run a safe consumption site at 40 Begbie Street, New Westminster (access from Alexander Street)

As a resident of New Westminster, I would like to express my full support for the approval of an 18 month Temporary Use Permit for Purpose Society to continue to run a safe consumption site at 40 Begbie Street, New Westminster (access from Alexander Street).

This is an essential service that keeps not only our substance-using population, but all residents and businesses in the city safer. It is a pragmatic response to the Drug Toxicity Crisis that saves lives and reduces the burden on emergency services.

This service is keeping people alive and connecting them to compassionate care.

Kindly,
Sandra Spani
