Dear Mayor & Councillors,

I oppose the issuance of this temporary use permit due to the potentially negative impact it may have on my neighborhood. Allowing a facility that caters to drug users to operate beside a residential building, could possibly attract a criminal element that would jeopardize the security of the building. It is unfair to subject the people living here to this elevated level of risk to their safety, thus making the approval of this permit unacceptable.

Thanks,  
Faye Chan
