Re: The 18-month Temporary Use Permit for Purpose Society to continue to run a safe consumption site at 40 Begbie Street, New Westminster (access from Alexander Street)

As a resident of New Westminster, I would like to express my full support for the approval of an 18-month Temporary Use Permit for Purpose Society to continue to run a safe consumption site at 40 Begbie Street, New Westminster (access from Alexander Street).

This is an essential service that keeps not only our substance-using population, but also all residents and businesses in the city safer. It is a pragmatic response to the Drug Toxicity Crisis that saves lives and reduces the burden on emergency services. It is also the compassionate and right thing to do.

Sincerely,

Joy
