Updated Family Friendly Housing Policy	<p>Council adopted an update to the Family Friendly Housing Policy to ensure that residential buildings meet the needs of households with children. The updated policy mandates that multi-unit ownership projects include a minimum of 40% two- and three-bedroom units, with at least 15% of the total units containing three-bedrooms or more. Multi-unit rental projects must include a minimum of 30% two- and three-bedroom units, with at least 10% of the total units containing three-bedrooms or more. This initiative was funded by the CMHC Housing Accelerator Fund and will help towards advancing the Housing Target Order Unit by Size Guidelines with regard to enabling two- and three-bedroom plus units.</p> <p><b>Updated Policy:</b> <a href="https://newwestcity.ca/database/files/library/Family_Friendly_Housing_Policy_2024.pdf">https://newwestcity.ca/database/files/library/Family_Friendly_Housing_Policy_2024.pdf</a></p> <p><b>Zoning Amendment Bylaw:</b> <a href="https://pub-newwestcity.escribemeetings.com/filestream.ashx?DocumentId=19934">https://pub-newwestcity.escribemeetings.com/filestream.ashx?DocumentId=19934</a></p> <p><b>Project Webpage:</b> <a href="https://www.newwestcity.ca/housing/family-friendly-housing">https://www.newwestcity.ca/housing/family-friendly-housing</a></p>	November 18, 2024
Completed Interim Housing Needs Report	<p>The City completed the <i>Understanding Housing and Homelessness in New Westminster: Interim Housing Needs Report 2024-2044</i> in alignment with the Provincial legislative changes. The report identifies the 5- and 20- year housing unit need, calculated using the new standardized method. New Westminster will need 8,137 additional units by 2029 and 27,523 additional housing units by 2044.</p> <p>Additional deeper analysis was conducted by the City to further breakdown the projected 5-year housing need numbers by housing type. This breakdown allows for better tracking of progress based on new units approved, and advocacy for senior government funding for supportive, below- and non-market housing projects.</p> <p><b>Council Report:</b> <a href="#">City of New Westminster, Council Workshop – Agenda, December 9, 2024</a></p> <p><b>Interim Housing Needs Report:</b> <a href="https://www.newwestcity.ca/database/files/library/Interim_Housing_Needs_Report_2024_Final_2024_11_28.pdf">https://www.newwestcity.ca/database/files/library/Interim_Housing_Needs_Report_2024_Final_2024_11_28.pdf</a></p>	December 9, 2024

**Section 7: OTHER INFORMATION**

Provide any other information not presented above that may be relevant to the municipality's effort and progress toward achieving the housing target.

While we have successfully met our yearly housing target within the first reporting period, this achievement is a result of long-term efforts that were initiated before the Housing Target Order took effect. Below are key points that offer additional context to our current progress:

- The occupancy figures include a major development project that has been underway for many years.

- The recent building permit approvals for 52 supportive housing units at 602 Agnes demonstrate our progress in addressing the housing needs of vulnerable populations and is a result of planning approvals that predate the Provincial Target Order taking effect.

In the last 12 months the City has launched a number of housing initiatives, which contribute towards achieving the Provincial Housing Target. These initiatives include:

- **Infill Accelerator Program:** This initiative, funded through CMHC's Housing Accelerator Fund, explores allowing multiplexes of up to six units to be built on properties in the city that currently allow houses, suites, and laneway houses.
- **Townhouse Accelerator Program:** This initiative, funded through CMHC's Housing Accelerator Fund, aims to increase the number of townhouse projects and new townhouse units constructed. This program is exploring: pre-zoning parts of the city to allow townhouses outright; increasing the density permitted; allowing secondary suites; and making regulatory and policy improvements based on lessons learned.
- **Inclusionary Housing Policy Update:** This initiative, funded through CMHC's Housing Accelerator Fund, aims to update the City's 2019 Inclusionary Housing Policy, which requires new strata residential developments seeking additional density to contribute to the affordable rental housing supply.

These initiatives support the delivery of housing across the city in the medium- to long-term.

## Section 8: SUMMARY OF PLANNED ACTIONS TO MEET TARGETS

**If the housing target has not been met for the reporting period**, please provide a summary of planned and future actions in line with the Performance Indicators that the municipality intends to take to meet housing targets during the two-year period following this report. For each action, provide:

- a description of how the action aligns with achieving the housing target;
- dates of completion or other major project milestones;
- links to any publicly available information; and
- the number of units anticipated by completing the action.
