

**THE CORPORATION OF THE CITY OF NEW WESTMINSTER
HERITAGE REVITALIZATION AGREEMENT (102 Seventh Avenue)
BYLAW NO. 8312, 2022**

**A Bylaw to enter into a Heritage Revitalization Agreement under
Section 610 of the *Local Government Act***

WHEREAS the City of New Westminster and the owners of the property located at 102 Seventh Avenue in New Westminster wish to enter into a Heritage Revitalization Agreement in respect of the property;

NOW THEREFORE, the Council of the City of New Westminster enacts as follows:

Citation

1. This Bylaw may be cited as “Heritage Revitalization Agreement (102 Seventh Avenue) Bylaw No. 8312, 2022”.

Heritage Revitalization Agreement

2. The City of New Westminster enters into a Heritage Revitalization Agreement with the registered owners of the property located at 102 Seventh Avenue legally described as PID: 002-367-343; LOT “A” OF LOTS 3 AND 4 OF THE NORTH HALF LOT 6 SUBURBAN BLOCK 13 PLAN 6672.
3. The Mayor and City Clerk are authorized on behalf of the City of New Westminster Council to sign and seal the Heritage Revitalization Agreement attached to this Bylaw as Schedule “A”.

READ A FIRST TIME this 7th day of March , 2022.

READ A SECOND TIME this 7th day of March , 2022.

PUBLIC HEARING held this _____ day of _____, 2022.

READ A THIRD TIME this _____ day of _____, 2022.

ADOPTED this _____ day of _____, 2022.

MAYOR JONATHAN X. COTE

JACQUE KILLAWEE, CITY CLERK

SCHEDULE "A"

HERITAGE REVITALIZATION AGREEMENT (102 Seventh Avenue)

THIS AGREEMENT dated for reference the 10th day of January, 2022 is

BETWEEN:

RAJVIR SINGH SANDHU,
102 Seventh Avenue, New Westminster, BC
V3L 1W3

(together, the "Owners")

AND:

THE CORPORATION OF THE CITY OF NEW WESTMINSTER, City Hall, 511 Royal
Avenue, New Westminster, BC V3L 1H9

(the "City")

WHEREAS:

- A. The Owners are the registered owners in fee simple of the land and all improvements located at 102 Seventh Avenue legally described as PID: 002-367-343; LOT "A" OF LOTS 3 AND 4 OF THE NORTH HALF LOT 6 SUBURBAN BLOCK 13 PLAN 6672 (the "Land");
- B. There is one principal building situated on the Land, known as the Maddock House (the "Heritage Building"), which is shown on the site plan attached as Appendix 1 (the "Site Plan") labelled as "102 Seventh Avenue Heritage House (2 Suites)";
- C. The City and the Owner agree that the Heritage Building has heritage value and should be conserved;
- D. The Owner wishes to make certain alterations to restore and rehabilitate the Heritage Building (the "Work");
- E. The Owner intends to apply to the City's Approving Officer for approval to file a subdivision plan (the "Subdivision Plan") in the Land Title Office in order to subdivide the Land into two separate parcels, generally as shown on the Site Plan;
- F. If the proposed subdivision of the Land is approved by the City's Approving Officer, the Owner wishes to construct a new residential building (the "New Duplex") on that portion of the Land labeled on the Site Plan as "686 First Street New Duplex";
- G. Section 610 of the *Local Government Act*, RSBC 2015, Chapter 1 authorizes a local government to enter into a Heritage Revitalization Agreement with the owner of heritage property, and to

allow variations of, and supplements to, the provisions of a bylaw or a permit issued under Part 14 or Part 15 of the *Local Government Act*;

- H. The Owner and the City have agreed to enter into this Heritage Revitalization Agreement (the “Agreement”) setting out the terms and conditions by which the heritage value of the Heritage Building is to be preserved and protected, in return for specified supplements and variances to City bylaws;

THIS AGREEMENT is evidence that in consideration of the sum of ten dollars (\$10.00) now paid by each party to the other and for other good and valuable consideration (the receipt of which each party hereby acknowledges) the Owner and the City each covenant with the other pursuant to Section 610 of the *Local Government Act* as follows:

Conservation of Heritage Building

1. Upon execution of this Agreement, the Owner shall promptly commence the Work in accordance with the Heritage Conservation Plan prepared by Elana Zysblat CAHP, of Acne Building Services dated February 2022, a copy of which is attached hereto as Appendix 2 (the “Conservation Plan”), and the design plans and specifications prepared by Christa MacArthur, dated January 31, 2022, a copy of which is attached hereto as Appendix 5 (the “Approved Plans”), full-size copies of which plans and specifications are on file at the New Westminster City Hall.
2. Prior to commencement of the Work, the Owner shall obtain from the City all necessary permits and licenses, including a heritage alteration permit, building permit, and tree permit.
3. The Owner shall obtain written approval from the City’s Director of Climate Action, Planning and Development for any changes to the Work, and obtain any amended permits that may be required for such changes to the Work, as required by the City.
4. The Owner agrees that the City may, notwithstanding that such permits may be issuable under the City’s zoning and building regulations and the BC Building Code, withhold a heritage alteration permit or building permit applied for in respect of the Heritage Building if the work that the Owner wishes to undertake is not in accordance with the Conservation Plan or the Approved Plans.
5. The Work shall be done at the Owner’s sole expense in accordance with generally accepted engineering, architectural, and heritage conservation practices. If any conflict or ambiguity arises in the interpretation of Appendix 2, the parties agree that the conflict or ambiguity shall be resolved in accordance with the “Standards and Guidelines for the Conservation of Historic Places in Canada”, 2nd edition, published by Parks Canada in 2010.
6. The Owner shall, at the Owner’s sole expense, erect on the Land and keep erected throughout the course of the Work, a sign of sufficient size and visibility to effectively notify contractors and tradespersons entering onto the Land that the Work involves protected heritage property and is being carried out for heritage conservation purposes.

7. The Owner shall, at the Owner's sole expense, engage a member of the Architectural Institute of British Columbia or the Association of Professional Engineers and Geoscientists of British Columbia or the British Columbian Association of Heritage Professionals with specialization in Building or Planning (the "Registered Professional") to oversee the Work and to perform the duties set out in section 8 of this Agreement, below.

Role of Registered Professional

8. The Registered Professional shall:
 - (a) prior to commencement of the Work, and at any time during the course of the Work that a Registered Professional has been engaged in substitution for a Registered Professional previously engaged by the Owner, provide to the City an executed and sealed Confirmation of Commitment in the form attached as Appendix 3 and, if the Registered Professional is a member of the Canadian Association of Heritage Professionals, the Registered Professional shall provide evidence of their membership and specialization when submitting such executed Confirmation of Commitment;
 - (b) conduct field reviews of the Work with the aim of ensuring compliance of the Work with the Conservation Plan in Appendix 2;
 - (c) provide regular reports to the City's Climate Action, Planning and Development Department, on the progress of the Work;
 - (d) upon substantial completion of the Work, provide to the City an executed and sealed Certification of Compliance in the form attached as Appendix 4; and
 - (e) notify the City within one business day if the Registered Professional's engagement by the Owner is terminated for any reason.

Heritage Designation

9. The Owner irrevocably agrees to the designation of the Heritage Building as protected heritage property, in accordance with Section 611 of the *Local Government Act*, and releases the City from any obligation to compensate the Owner in any form for any reduction in the market value of the Lands or the Heritage Building that may result from the designation.
10. Following completion of the Work, the Owner shall maintain the Heritage Building in good repair in accordance with the Conservation Plan in Appendix 2 and the maintenance standards set out in City of New Westminster Heritage Properties Minimum Maintenance Standards Bylaw No. 7971, 2018, as amended or replaced from time to time, and, in the event that Bylaw No. 7971 is repealed and not replaced, the Owner shall continue to maintain the building to the standards that applied under Bylaw No. 7971 immediately prior to its repeal.

11. Following completion of the Work in accordance with this Agreement, the Owner shall not alter the heritage character or the exterior appearance of the Heritage Building, except as permitted by a heritage alteration permit issued by the City.

Damage to or Destruction of Heritage Building

12. If the Heritage Building is damaged, the Owner shall obtain a heritage alteration permit and any other necessary permits and licenses and, in a timely manner, shall restore and repair the Heritage Building to the same condition and appearance that existed before the damage occurred.
13. If, in the opinion of the City, the Heritage Building is completely destroyed, the Owner shall construct a replica, using contemporary material if necessary, of the Heritage Building that complies in all respects with the Conservation Plan in Appendix 2, the Approved Plans in Appendix 5, and with City of New Westminster Zoning Bylaw No. 6680, 2001 as amended (the "Zoning Bylaw"), as varied by this Agreement, after having obtained a heritage alteration permit and any other necessary permits and licenses.
14. The Owner shall use best efforts to commence and complete any repairs to the Heritage Building, or the construction of any replica building, with reasonable dispatch.

Construction of the New Duplex

15. The Owners shall construct the New Duplex in strict accordance with the Site Plan and the Approved Plans prepared by Christa MacArthur, dated January 31, 2022, a copy of which is attached hereto as Appendix 5, full-size copies of which plans and specifications are on file at the New Westminster City Hall.
16. Prior to commencement of construction of the New Duplex, the Owner shall obtain from the City all necessary approvals, permits, and licenses, including a heritage alteration permit, building permit, and tree permit and approval of the City's Approving Officer to file the Subdivision Plan in the Land Title Office.
17. The Owner shall obtain written approval from the City's Director of Climate Action, Planning and Development for any changes to the New Duplex, and obtain any amended permits that may be required for such changes to the New Duplex, as required by the City.
18. The Owner agrees that the City may, notwithstanding that such permits may be issuable under the City's zoning and building regulations and the BC Building Code, withhold a heritage alteration permit or building permit applied for in respect of the New Duplex if the work that the Owner wishes to undertake is not in accordance with the Approved Plans.
19. The construction of the New Duplex shall be done at the Owner's sole expense and in accordance with generally accepted engineering and architectural practices.

Timing and Phasing

20. The Owner shall commence and complete all actions required for the completion of the Work, as set out in the Conservation Plan in Appendix 2, within three years following the date of adoption of the Bylaw authorizing this Agreement.
21. The Owner shall not construct the New Duplex on the Land until the Owner has completed the Work in respect of the Heritage Building to the satisfaction of the City's Director of Climate Action, Planning and Development, has provided the Certification of Compliance described in section 8(d) above, and has approval of the City's Approving Officer to file the Subdivision Plan in the Land Title Office.
22. The City may, notwithstanding that such a permit may be issuable under the City's zoning and building regulations and the BC Building Code, withhold a building permit or heritage alteration permit applied for in respect of the New Duplex if the Owner has not completed the Work in respect of the Heritage Building, to the satisfaction of the City's Director of Climate Action, Planning and Development.
23. The Owner shall complete all actions required for the completion of the New Duplex, as set out in Approved Plans in Appendix 5, within five years following the date on which the Owner deposits the Subdivision Plan in the Land Title Office.

Subdivision

24. The Owner shall, concurrently with the deposit of the Subdivision Plan, deposit in the Land Title Office a covenant under s.219 of the Land Title Act in favour of the City, in the form attached as Appendix 6, by which the Owner covenants and agrees not to transfer separately the parcels created by the Subdivision Plan until the Owner has complied with the requirements of this Agreement for the preservation and restoration of the Heritage Building.
25. The City shall execute and deliver to the Owner a discharge of the covenant described in section 24 above on the request of the Owner, if the Owner has complied with the requirements of this Agreement for the preservation and restoration of the Heritage Building.
26. Nothing in this Agreement commits the Approving Officer to approve the proposed subdivision of the Land.

Inspection

27. Upon request by the City, the Owners shall advise or cause the Registered Professional to advise, the City's Climate Action, Planning and Development Department, of the status of the Work.
28. For the duration of the Work and the construction of the New Duplex as authorized by this Agreement, without limiting the City's power of inspection conferred by statute and in

addition to such powers, the City shall be entitled at all reasonable times and from time to time to enter onto the Land for the purpose of ensuring that the Owner is fully observing and performing all of the restrictions and requirements in this Agreement to be observed and performed by the Owner.

29. The Owner agrees that the City may, notwithstanding that a final inspection may be issuable under the City's zoning and building regulations and the BC Building Code, withhold a final inspection or occupancy certificate applied for in respect of the Heritage Building or the New Duplex if the Owner has not completed the Work with respect to the Heritage Building or construction of the New Duplex to the satisfaction of the City's Director of Climate Action, Planning and Development.

Conformity with City Bylaws

30. The City of New Westminster Zoning Bylaw No. 6680, 2001, is varied and supplemented in its application to the Land in the manner and to the extent provided and attached as Appendix 7.
31. The Owner acknowledges and agrees that, except as expressly varied by this Agreement, any development or use of the Land, including any construction, alteration, rehabilitation, restoration and repairs of the Heritage Building or New Duplex, must comply with all applicable bylaws of the City.

No Application to Building Interiors

32. Unless otherwise stated in this Agreement or set out in the Conservation Plan, the terms and conditions of this Agreement respecting the Heritage Building and New Duplex apply only to the structure and exterior of the buildings, including without limitation the foundation, walls, roof, and all exterior doors, stairs, windows and architectural ornamentation.

Enforcement of Agreement

33. The Owner acknowledges that it is an offence under Section 621(1)(c) of the *Local Government Act* to alter the Land, the Heritage Building or the New Duplex in contravention of this Agreement, punishable by a fine of up to \$50,000.00 or imprisonment for a term of up to 2 years, or both.
34. The Owner acknowledges that it is an offence under Section 621(1)(b) of the *Local Government Act* to fail to comply with the requirements and conditions of any heritage alteration permit issued to the Owner pursuant to this Agreement and Section 617 of the *Local Government Act*, punishable in the manner described in the preceding section.
35. The Owner acknowledges that, if the Owner alters the Land, the Heritage Building or the New Duplex in contravention of this Agreement, the City may apply to the British Columbia Supreme Court for:

- (a) an order that the Owner restore the Land or the Heritage Building or the New Duplex, or all, to their condition before the contravention;
 - (b) an order that the Owner undertake compensatory conservation work on the Land, the Heritage Building, or the New Duplex;
 - (c) an order requiring the Owner to take other measures specified by the Court to ameliorate the effects of the contravention; and
 - (d) an order authorizing the City to perform any and all such work at the expense of the Owner.
36. The Owner acknowledges that, if the City undertakes work to satisfy the terms, requirements or conditions of any heritage alteration permit issued to the Owners pursuant to this Agreement upon the Owner's failure to do so, the City may add the cost of the work and any incidental expenses to the taxes payable with respect to the Land, or may recover the cost from any security that the Owner has provided to the City to guarantee the performance of the terms, requirements or conditions of the permit, or both.
37. The Owner acknowledges that the City may file a notice on title to the Land in the Land Title Office if the terms and conditions of this Agreement have been contravened.
38. The City may notify the Owner in writing of any alleged breach of this Agreement and the Owner shall have the time specified in the notice to remedy the breach. In the event that the Owner fails to remedy the breach within the time specified, the City may enforce this Agreement by:
- (a) seeking an order for specific performance of the Agreement;
 - (b) any other means specified in this Agreement; or
 - (c) any means specified in the *Community Charter* or the *Local Government Act*,
- and the City's resort to any remedy for a breach of this Agreement does not limit its right to resort to any other remedy available at law or in equity.

Statutory Authority Retained

39. Nothing in this Agreement shall limit, impair, fetter, or derogate from the statutory powers of the City, all of which powers may be exercised by the City from time to time and at any time to the fullest extent that the City is enabled.

Indemnity

40. The Owner hereby releases, indemnifies and saves the City, its officers, employees, elected officials, agents and assigns harmless from and against any and all actions, causes of action, losses, damages, costs, claims, debts and demands whatsoever by any person, arising out of

or in any way due to the existence or effect of any of the restrictions or requirements in this Agreement, or the breach or non-performance by the Owner of any term or provision of this Agreement, or by reason of any work or action of the Owner in performance of its obligations under this Agreement or by reason of any wrongful act or omission, default, or negligence of the Owner.

41. In no case shall the City be liable or responsible in any way for:

- (a) any personal injury, death or consequential damage of any nature whatsoever, howsoever caused, that be suffered or sustained by the Owner or by any other person who may be on the Land; or
- (b) any loss or damage of any nature whatsoever, howsoever caused to the Land, or any improvements or personal property thereon belonging to the Owner or to any other person,

arising directly or indirectly from compliance with the restrictions and requirements in this Agreement, wrongful or negligent failure or omission to comply with the restrictions and requirements in this Agreement or refusal, omission or failure of the City to enforce or require compliance by the Owner with the restrictions or requirements in this Agreement or with any other term, condition, or provision of this Agreement.

No Waiver

42. No restrictions, requirements, or other provisions of this Agreement shall be deemed to have been waived by the City unless a written waiver signed by an officer of the City has first been obtained, and without limiting the generality of the foregoing, no condoning, excusing or overlooking by the City on previous occasions of any default, nor any previous written waiver, shall be taken to operate as a waiver by the City of any subsequent default or in any way defeat or affect the rights and remedies of the City.

Interpretation

43. In this Agreement, "Owner" shall mean all registered owners of the Land or subsequent registered owners of the Land, as the context requires or permits.

Headings

44. The headings in this Agreement are inserted for convenience only and shall not affect the interpretation of this Agreement or any of its provisions.

Appendices

45. All appendices to this Agreement are incorporated into and form part of this Agreement.

Number and Gender

46. Whenever the singular or masculine or neuter is used in this Agreement, the same shall be construed to mean the plural or feminine or body corporate where the context so requires.

Joint and Several

47. If at any time more than one person (as defined in the *Interpretation Act* (British Columbia) owns the Land, each of those persons will be jointly and severally liable for all of the obligations of the Owner under this Agreement.

Successors Bound

48. All restrictions, rights and liabilities herein imposed upon or given to the respective parties shall extend to and be binding upon their respective heirs, executors, administrators, successors and assigns.

IN WITNESS WHEREOF the Owner and the City have executed this Agreement as of the date written above.

Statement of Significance - 102 Seventh Avenue, New Westminster

Description of the Historic Place

The Maddock House is a two and a half storey Tudor Revival wood-frame house with an asymmetrical cross-gabled roof located at the corner of 1st Street and Seventh Avenue in the Glenbrooke North neighbourhood of New Westminster, BC.

Heritage Values of the Historic Place

Built in 1941, the Maddock House is valued for its association with one of the pivotal development periods of the Glenbrooke North neighbourhood of New Westminster. Glenbrooke North saw three major development periods in the first half of the 20th century - the Edwardian boom just prior to WWI, the 1920s-30s 'bungalow boom' and finally the WWII and post war growth of which the subject house is specifically representative. The subject block and surrounding streets near Herbert Spencer School (1912), are valued for representing the early section of the neighbourhood which developed initially due to its proximity to Queen's Park and other early neighbourhoods of the City.

The Maddock House makes a valued contribution to the architectural eclecticism of this historic neighbourhood. This one-of-a-kind house is noteworthy for being designed by an architect while the majority of the neighbourhood house designs were likely copied from house plan catalogues. Its strong Tudor Revival design, featuring unique and custom architectural details, is reflective of English-born Gerald and Bessie Maddock's culture from the "old country" and of Gerald's professional capacity as an architect. It is also important that this home befits the sense of stateliness that was a signature for many New Westminster streets prior to the "suburbanization" and "modernization" initiatives that began to reshape the city in the 1950s and 1960s.

Following the Maddock family 10-year residency, the Maddock House is valued for the subsequent longstanding ownership of the family of Ingval Fagerdahl, a life-long employee at the local Canfor lumber and pulp mill. This property was the Fagerdahl family home for 66 years, from 1951 until 2015, reflecting the stability and community that many working-class families found in the Glenbrooke North neighbourhood in the decades following World War II.

Character-defining elements

- Residential use since 1941
- Location on the corner lot, with primary facades and entrances on both Seventh Avenue and First Street.

- Elements of the property that provide a sense of an English country home, including the Tudor Revival design of the home, the intentional use of wood boards with some imperfections and a hand-hewn, rustic aesthetic for half-timbering details 'fastened' by round wood pegs, the informal masonry materials (granite and rubble stone) and the organic shape of the property's stone retaining walls with partially extruded cement mortar and the English-style garden.
- Residential scale, height (2.5 storeys) and massing
- Tudor Revival style, with asymmetrical facades, steeply pitched rooflines, stucco cladding and decorative half-timbering.
- Detailing of decorative half-timbering, including the use of rustically or irregularly finished boards with round wood pegs at joints, and extensive use of a crossed application pattern.
- Original window and door openings on all facades as well as two original wood entrance doors.
- Wood windows (single, double and triple assemblies) with segment top upper sashes.
- One internal brick chimney at side gable peak and one granite & concrete brick top end-wall chimney on 1st Street elevation

Research Findings

Legal Address: LOT A, NEW WEST DISTRICT, PLAN NWP6672 SUBURBAN BLOCK 13, PART N 1/2, GROUP 1, OF LOTS 3 & 4; N1/2 OF LOT 6.

Date of Construction: 1941

Source: City of New Westminster Building permit – BPH07706

Original Owners: Gerald Lewellyn & Bessie Maddock

Source: City of New Westminster Building permit – BPH07706 and City Directories

Architect: Gerald Maddock

Source: City of New Westminster Building permit – BPH07706

Builder: unknown

Residents:

1941 - 1950 Maddock family

1951 - 2015 Fagerdahl* family

*The Fagerdahl family housed various renters in the basement suite. Starting in 1984, the basement suite became the residence of the Fagerdahl seniors, while one of their daughters, Kelly Jenks, lived in the main house with her husband and children.

Current- vacant

Conservation Objectives

Preservation is the overall conservation objective for the historic house.

A minor **Restoration** intervention is proposed on the East (1st Street) elevation, and minor **Rehabilitation** interventions are proposed on the West (side) and South (rear) elevations.

Rehabilitation is the overall conservation objective for the property.

The Maddock House will be conserved on its original site, with its detached single-family & rental suite existing residential use, and preserved in its 1941 exterior appearance.

To meet the development potential of the property without impacting the heritage values and Character Defining Element of the historic building, allowable and additional FSR will be added in the form of an infill duplex at the rear of this rectangular, corner lot, fronting 1st Street. The contemporary duplex design does not distract from the prominence and unique character of the Maddock House. It fits in with the surrounding homes' scale, form and finishes while being distinguishable as a contemporary introduction.

Two low-visibility, minor exterior changes are proposed for the heritage house:

1. **Restoration:** Removal of the northern flight of a twinned stair on the East elevation, introduced in the 1960s, which cuts across a ground level window opening and partially obstructs the visibility of the character defining end-wall chimney. The southern flight, which is a stair direction deemed to be original to the design of the house, will be retained.
2. **Rehabilitation:** Adjustment of a few window and door openings on the two lowest visibility elevations (west and south) to accommodate layout changes on the interior.

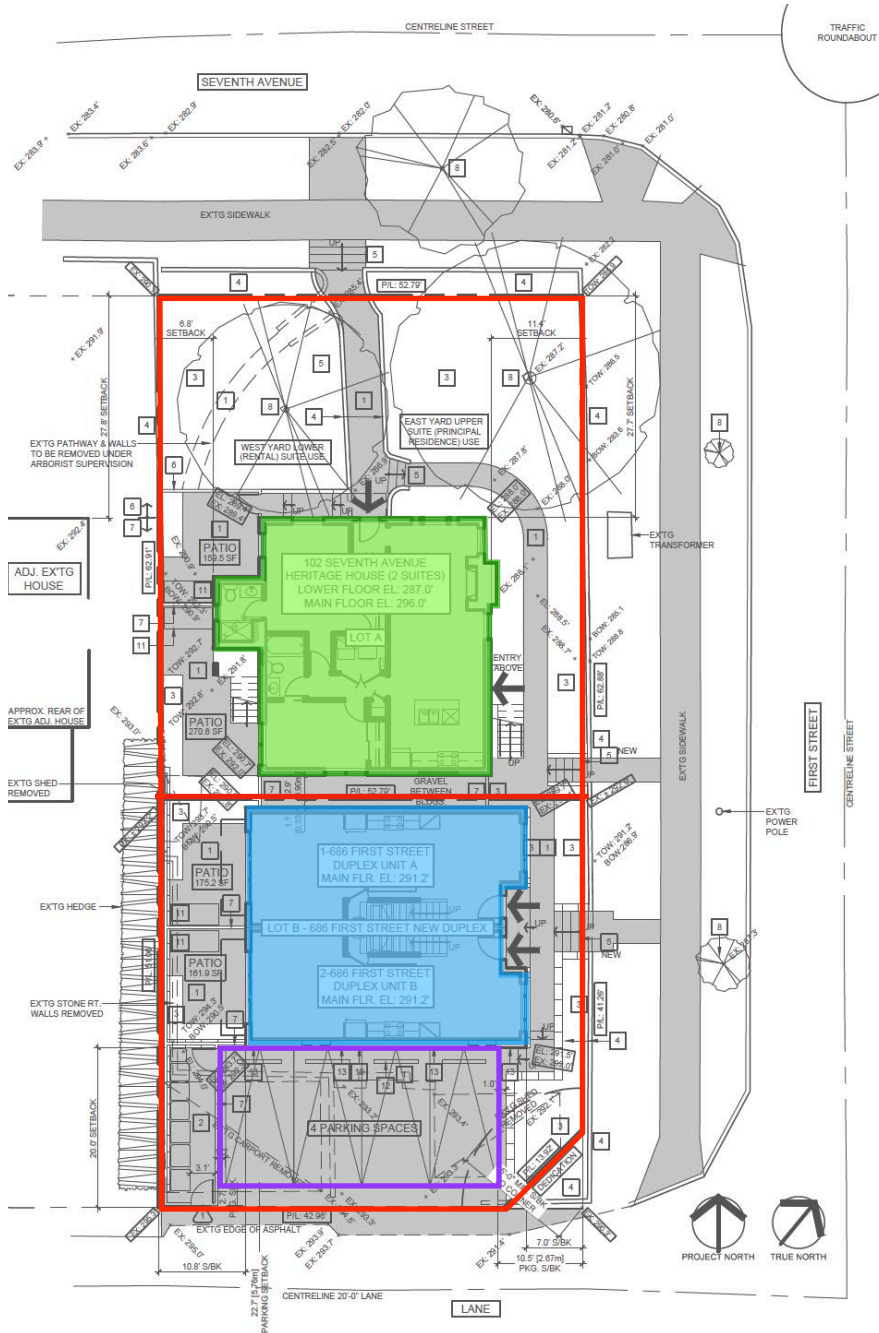

Preservation: *The action or process of protecting, maintaining and/or stabilizing the existing materials, form and integrity of an historic place or of an individual component, while protecting its heritage value.*

Restoration: *The action or process of accurately revealing, recovering or representing the state of a historic place or of an individual component, as it appeared at a particular period in its history, while protecting its heritage value.*

Rehabilitation: *The action or process of making possible a continuing or compatible contemporary use of an historic place or of an individual component, through repair, alterations, and/or additions, while protecting its heritage value.*

The above conservation treatment definitions are taken from the Standards & Guidelines for the Conservation of Historic Places in Canada (2nd edition).

Site Plan

The relatively under-built lot (outlined in red) can accommodate two separate buildings and four family units.

The existing heritage house (green) will be preserved in situ, retain its historic division into two suites, its original front yard size and landscaping character.

The proposed infill building (blue) will contain two side by side duplex units. The siting of the duplex building is at the rear of the heritage house but has its own frontage onto 1st Street.

Four off-street parking pads (outlined in purple) accessed from the lane, accommodate all four proposed units.

Site plan source: Lodge Craft.
Colours and outlines applied by author.

The infill building design does not detract from the prominence and character of the Maddock House. See below renders of the preserved heritage house with the proposed infill duplex at the rear as viewed from Seventh Avenue (top), or along the side (bottom), as viewed from 1st Street. Standard 11 for Rehabilitation, in the Standards and Guidelines for the Conservation of Historic Places in Canada, requires new additions to historic places to be *subordinate*, *distinguishable* and *compatible*. The proposed duplex design, form and siting achieves this in its matching scale to the surrounding homes, and its traditional gabled roofs (compatibility); Clear contemporary design and finishes (distinguishability); Reduced texture and architectural ornamentation (subordinate).

Renders Source: Lodge Craft

Condition Assessment

Overall the building is in **good** condition.

a. Structure

The building lines are true to the eye - there is no visual evidence of structural distortion.

b. Foundation

The visible portions of the board-formed concrete foundation on the exterior appear in **good** condition, but a full structural assessment of the foundation was not conducted.

Right: A photo of the northeast corner of the white-painted board-formed concrete foundation

c. Exterior Wood Elements

The fascia and trim boards as well as the decorative half-timbering boards are all in **good** condition. No individual board was identified as damaged or deteriorated.

Right: A close-up photo of the intentional rustic character of the half-timbering boards

d. Stucco cladding

The textured stucco cladding is generally in **good** condition but there are minor spots (especially at corner or entrances) where it has been nicked and broken.

e. Roofing and gutters

The roof shingles and rainworks are all in **fair** condition and appear to be towards the end of their life cycle.

f. Chimneys

The internal brick chimney at side gable peak is in **fair** condition with gaping mortar joints and possibly inappropriate mortar. The excessive flashing is distracting. This chimney needs to be closely assessed by a conservation mason.

The granite & concrete brick top end-wall chimney on the 1st Street elevation is also in **fair** condition. There is evidence of inappropriate or inconsistent repairs in the concrete brick portion of the stack and evidence of missing mortar, loose granite stones and even missing granite stores on the north edge where it meets the roof. This chimney needs to be closely assessed by a conservation mason.

g. Windows and Doors

All of the windows and doors are wood and appear to be original to the 1941 construction and design. They appear to be in **good** condition but their individual operability was not assessed yet.

Right: A photo showing the segment-top wood windows.

h. Finishes

The current paint finish is in **good** condition both on the wood elements and stucco.

i. Concrete side stair

Likely a 1960s replacement of an earlier stair case, this concrete stair at the 1st Street entrance is distinguishable and subordinate as an addition and is in **good** condition. The only flaw is its unnecessary twinned flights, the northern of which blocks an original basement window and encroaches too closely on the character defining granite chimney.

Right: The northern flight of the side concrete stair blocking a window and in very close proximity to the granite chimney.

Recommended Conservation Treatments

a. Structure - *Preservation*

Conserve the existing structure in situ with no proposed changes.

b. Foundation - *Preservation*

Structural engineer to thoroughly inspect existing concrete foundation. Preserve in situ with no proposed changes.

c. Exterior Wood Elements - *Preservation*

Preserve all exterior wood elements in situ, unless certain boards are determined by a finishing carpenter to be damaged beyond repair and confirmed by heritage consultant. Boards that cannot be preserved are to be restored (replaced in-kind with the same dimension, profile and unique rustic finish).

d. Stucco cladding - *Preservation*

Retain the original, textured stucco cladding in situ. Repair any damaged spots with the help of a stucco professional who can replicate the exact texture seamlessly.

e. Roof and gutters - *Restoration*

Reroof in multi-coloured duroid roofing shingles (an acceptable alternative for cedar shakes) to restore the look of a rustic cedar or thatched roof typical of Tudor Revival homes (see shingle specification in Lodge Craft HRA package). Install new neutral/discreet coloured gutters (slate grey).

f. Chimneys - *Restoration*

Work with a conservation mason to assess both chimneys and conduct careful repointing for internal red brick chimney and carry out repointing, repairs and installation of missing granite stones (rustic, organic cuts as per current character of chimney) at granite end-wall chimney. For end-wall chimney also restore missing granite stones (see missing area in photo) using the ashlar pattern and multi-sized rough cut stones, and address inconsistent repairs and brick sizes at concrete brick stack.

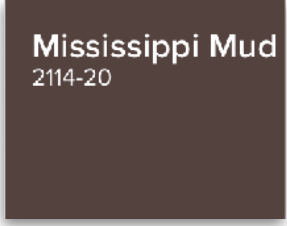

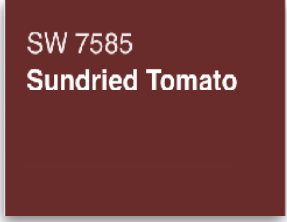

g. Windows and Doors - Preservation and Rehabilitation

Preserve all the windows and the front and side (1st St.) doors in situ. Assess their operability and perform any repair and maintenance needed to improve these, using an experienced finishing carpenter with proven experience in working with historic windows and doors.

Remove four low visibility windows on the south elevation and one basement window on the west elevation, which conflict with proposed new and improved layouts. Relocate the rear (west) door to an existing window opening and enlarge a small window opening on this elevation as well, both reasonable and low visibility interventions to improve natural light and flow in the main house. See door and window schedule in Lodge Craft HRA package and elevation details on pages 21 and 22.

h. Finishes - Restoration

Repaint the exterior in a traditional Tudor Revival colour scheme with traditional sheens, as current, but using researched late 1930s colours:

	<u>Building area</u>	<u>Researched 1930s Colour</u>	<u>Sheen</u>
	body (stucco)	Sensible White (California Paints) matches Benjamin Moore Dove Wing OC-18	Low luster
	All trim boards, sills facia, half-timbering, window sashes	Eclectic Trim (California Paints) matches Benjamin Moore Mississippi Mud 2114-20	Semi-gloss for trim boards and high gloss for window sashes
	Doors	Bright Red 33 (General Paint) matches Sherwin Williams Sun-dried Tomato 7585	High gloss
	Roof shingles	Royal Granite (Iko Crown Slate)	

Light fixtures - Restoration

There are two high visibility locations for light fixtures at the front and 1st Street entrances.

Install new Tudor/Arts & Crafts style light fixtures - a flush mount for the front door and a wall lantern for the side door. Appropriate design/model options are below. Confirm with the heritage consultant before ordering.

Rejuvenation Columbia 5" Arts & Crafts Lantern Wall Sconce

Feiss Shepherd 2 Light Flush Mount

Proposed Changes by Elevation

Front (north) elevation

no proposed changes on front elevation expect for adjusted colour scheme

Existing front elevation north

Proposed front elevation north

Rear (south) elevation

Window and door opening changes to this very low visibility elevation to accommodate adjusted interior layouts (see outlined in red on proposed elevation).

Existing rear elevation south

Proposed rear elevation south

Side (east) elevation

Removal of northern flight of exterior stair

Existing side elevation east

Proposed side elevation east

Side (west) elevation

Window and door opening changes to this very low visibility elevation to accommodate adjusted interior layouts (see outlined in red on proposed elevation). Change of one window size (replica in-kind of existing window, but smaller), removal of a window, and change of one window opening into a door, through the relocation of the existing door from the porch structure to the elevation wall, now facing west.

Existing side elevation west

Proposed side elevation west

Maintenance Plan

Following completion of the conservation works, the owner must maintain the building and land in good repair and in accordance with generally accepted maintenance standards. All work should follow *The Standards and Guidelines for the Conservation of Historic Places in Canada (2nd Edition)*. The local government determines an acceptable level or condition to which the heritage building is maintained through the Heritage Maintenance Bylaw. As with the Heritage Conservation Plan, such maintenance standards apply only to the building exterior.

As general upkeep is frequently overlooked and will lead to deterioration of heritage resources, maintenance standards warrant special attention. Any building should be kept in a reasonable condition so it continues to function properly without incurring major expenses to repair deterioration from neglect. The most frequent source of deterioration problems are from poorly maintained roofs, rainwater works and destructive pests.

Establish a maintenance plan using the information below:

Maintenance Checklist

a. Site

- Ensure site runoff drainage is directed away from buildings.
- It is recommended to maintain min. 2 foot clearance between vegetation and building face and a 12 inch wide gravel strip against the foundation in planted areas.
- Constantly manage vegetation (vines, etc.) that is ornamentally attached to the building.

b. Foundation

- Review exterior, and interior where visible, for signs of undue settlement, deformation or cracking of foundation and if encountered seek advice from Professional Engineer.
- Ensure perimeter drainage piping is functioning satisfactorily.
- Inspect basement interior for signs of moisture migrating through foundation walls in the form of efflorescence (a white powder on concrete) or staining of finishes. A "smell test" for musty air can indicate a moisture problem.

c. Wood Elements

- In the wet coastal climate of British Columbia maintaining integrity of exterior wood elements is critical in preventing water ingress into buildings.
- Annually inspect wood elements for signs of deterioration, identify source of problem and take corrective repair/replacement action:
 - o wood in contact with ground or plantings;
 - o excessive cupping, loose knots, cracks or splits;
 - o open wood-to-wood joints or loose/missing fasteners;
 - o attack from biological growth (moss, moulds, etc.) or infestations (carpenter ants, etc.);
 - o animal damage or accumulations (chewed holes, nesting, bird/rodent droppings) USE HAZARDOUS MATERIALS PROCEDURES;
 - o signs of water ingress (rot, staining, mould, infestation).
- Closely inspect highly exposed wood elements such as porches, railings and stairs for deterioration. Anticipate replacement in-kind of portions of these elements every 10-15 years.
- Inspect visible caulking joints for continuity and shrinkage. Expect to redo caulking every 3-5 years.
- Repainting shall be in historic colours as approved in this plan or with a Heritage Alteration Permit (HAP) issued by the Local Authority.

d. Stucco

- Most stucco deterioration is the result of water infiltration, either through the roof, around chimneys, window and door openings, or excessive ground water or moisture penetrating through, or splashing up from the foundation. After the cause of deterioration has been identified, any necessary repairs to the building should be made first before repairing the stucco.
- In the interest of saving or preserving as much as possible of the historic stucco, patching rather than wholesale replacement is preferable.

e. Windows and Doors

- Replace cracked or broken glass as it occurs.
- Check satisfactory operation of windows and doors.
- Check condition and operation of hardware for rust or breakage. Lubricate hardware annually.
- Inspect weather stripping for excessive wear and integrity.

f. Roofing and Rainwater Works

- Inspect roof condition every 5 years, looking for:
 - o loose, split or missing shingles, especially at edges, ridges and hips;
 - o excessive moss growth and/or accumulation of debris from adjacent trees;
 - o flashings functioning properly to shed water down slope.
- Remove roof debris and moss with gentle sweeping and low-pressure hose.
- Plan for roof replacement every 18-22.
- Annually inspect and clean gutters, flush out downpipes. Ensure gutters positively slope to downpipes, there are no leaks or water splashing onto building.
- Ensure gutter hangers and rainwater system elements intact and secure.
- Ensure downpipes inserted into collection piping stub-outs at grade and/or directed away from building onto concrete splash pads.

g. General Cleaning

- Building exterior should be regularly cleaned depending on build up of atmospheric soot, biological growth and/or dirt up-splash from ground.
- Cleaning prevents buildup of deleterious materials which can lead to premature and avoidable maintenance problems.
- Windows, doors and rainwater works should be cleaned annually.

- When cleaning always use gentlest means possible such as soft bristle brush and low-pressure hose. Use mild cleaner if necessary such as diluted TSP or Simple Green®.
- Do not use high-pressure washing as it will lead to excessive damage to finishes, seals, caulking and wood elements, and it will drive water into wall assemblies and lead to bigger problems.

APPENDIX 6

TERMS OF INSTRUMENT – PART 2

SECTION 219 COVENANT – NO SEPARATE SALE OF SUBDIVIDED PARCELS

SECTION 219 COVENANT – NO SEPARATE SALE OF SUBDIVIDED PARCELS

THIS AGREEMENT dated for reference the ____ day of _____, 20__ is

BETWEEN:

RAJVIR SINGH SANDHU, 102 Seventh Avenue, New Westminster, BC

(the “Owner”)

AND:

CORPORATION OF THE CITY OF NEW WESTMINSTER, City Hall, 511
Royal Avenue, New Westminster, British Columbia, V3L 1H9

(the “City”)

WHEREAS:

- A. The Owners are the registered owners in fee simple of those lands in New Westminster, British Columbia legally described as NO PID, _____ and NO PID, _____ (together, the “Lands”);
- B. Pursuant to a Heritage Revitalization Agreement between the City and the Owners, dated for reference January 10, 2022 (the “HRA”), the Owners are required to deposit in the Land Title Office, concurrently with the subdivision plan creating the Lands as separate fee simple parcels, a covenant under s.219 of the *Land Title Act* in favour of the City, by which the Owners covenant and agree not to transfer separately the Lands until the Owners have complied with the requirements of the HRA for the preservation, restoration, and rehabilitation of the Heritage Building (as defined in the HRA);
- C. Section 219 of the *Land Title Act* (British Columbia) provides that there may be registered as a charge against the title to any land a covenant in favour of a municipality in respect of the use of land, the use of a building on or to be erected on land, or that parcels of land designated in the covenant are not to be sold or otherwise transferred separately;

NOW THEREFORE in consideration of the sum of \$10.00 now paid by the City to the Owners and other good and valuable consideration, the receipt and sufficiency of which the Owners hereby acknowledge, the parties covenant and agree pursuant to Section 219 of the *Land Title Act* (British Columbia) as follows:

- 1. **Lands Not to be Separately Sold or Transferred** – The Lands shall not be sold or otherwise transferred separately.

2. **Discharge** – The City shall, at the written request of the Owners, execute and deliver to the Owners a registrable discharge of this Agreement, in its sole and unfettered discretion, to be exercised consistently with the wording and intent of the HRA, that the Owners have completed and complied with all requirements in the HRA for the preservation, restoration, and rehabilitation of the Heritage Building by the deadlines set out therein.
3. **Notice** – All notices and other communications required or permitted to be given under this Agreement must be in writing and must be sent by registered mail or delivered as follows:

- (a) if to the Owner, to the address shown on the Land Title Office title search to the Lands,

- (b) if to the City, as follows:

City of New Westminster
511 Royal Avenue
New Westminster, BC, V3L 1H9

Attention: Heritage Planner

Any notice or other communication that is delivered is considered to have been given on the next business day after it is dispatched for delivery. Any notice or other communication that is sent by registered mail is considered to have been given five days after the day on which it is mailed at a Canada Post office. If there is an existing or threatened strike or labour disruption that has caused, or may cause, an interruption in the mail, any notice or other communication must be delivered until ordinary mail services is restored or assured. If a party changes its address it must immediately give notice of its new address to the other party as provided in this section.

4. **Interpretation** – In this Agreement:
 - (a) reference to the singular includes a reference to the plural, and vice versa, unless the context requires otherwise;
 - (b) article and section headings have been inserted for ease of reference only and are not to be used in interpreting this Agreement;
 - (c) reference to a particular numbered section or article is a reference to the correspondingly numbered section or article of this Agreement;
 - (d) reference to the “Lands” or to any other parcel of land is a reference also to any parcel into which those lands are subdivided or consolidated by any means

(including the removal of interior parcel boundaries) and to each parcel created by any such subdivision or consolidations;

- (e) if a word or expression is defined in this Agreement, other parts of speech and grammatical forms of the same word or expression have corresponding meanings;
 - (f) reference to any enactment includes any regulations, orders, permits or directives made or issued under the authority of that enactment;
 - (g) unless otherwise expressly provided, reference to any enactment is a reference to that enactment as consolidated, revised, amended, re-enacted or replaced;
 - (h) time is of the essence;
 - (i) all provisions are to be interpreted as always speaking;
 - (j) reference to a “party” is a reference to a party to this Agreement and to their respective heirs, executors, successors (including successors in title), trustees, administrators and receivers;
 - (k) reference to the City is a reference also to its elected and appointed officials, officers, employees and agents;
 - (l) where the word “including” is followed by a list, the contents of the list are not intended to circumscribe the generality of the expression preceding the word “including”; and
 - (m) any act, decision, determination, consideration, opinion, consent or exercise of discretion by a party or person as provided in this Agreement must be performed, made, formed or exercised acting reasonably, except that any act, decision, determination, consideration, consent, opinion or exercise of discretion that is said to be within the “sole discretion” of a party or person may be performed, made, formed or exercised by that party or person in the sole, unfettered and absolute discretion of that party or person.
5. **No Waiver** – No provision or breach of this Agreement, nor any default, is to be considered to have been waived or acquiesced to by a party unless the waiver is express and is in writing by the party. The waiver by a party of any breach by the other party of any provision, or default, is not to be construed as or constituted a waiver of any further or other breach of the same or any other provision or default.
6. **No Effect on Laws or Powers** – This Agreement and the Owners’ contributions, obligations and agreements set out in this Agreement do not:

- (a) affect or limit the discretion, rights, duties or powers of the City or the Approving Officer under any enactment or at common law, including in relation to the use, development, servicing or subdivision of the Lands;
 - (b) impose on the City or the Approving Officer any legal duty or obligation, including any duty of care or contractual or other legal duty or obligation, to enforce this Agreement;
 - (c) affect or limit any enactment relating to the use, development or subdivision of the Lands; or
 - (d) relieve the Owners from complying with any enactment, including in relation to the use, development, servicing, or subdivision of the Lands.
7. **Remedies for Breach** – The Owners agree that, without affecting any other rights or remedies the City may have in respect of any breach of this Agreement, the City is entitled, in light of the public interest in securing strict performance of this Agreement, to seek and obtain from the British Columbia Supreme Court a mandatory or prohibitory injunction, or order for specific performance, in respect of the breach.
8. **Binding Effect** – This Agreement enures to the benefit of and is binding upon the parties and their respective heirs, executors, administrators, trustees, receivers and successors (including successors in title).
9. **Covenant Runs With the Lands** – Every provision of this Agreement and every obligation and covenant of the Owners in this Agreement, constitutes a deed and a contractual obligation, and also a covenant granted by the Owners to the City in accordance with section 219 of the *Land Title Act*, and this Agreement burdens the Lands to the extent provided in this Agreement, and runs with them and binds the Owners’ successors in title. This Agreement also burdens and runs with every parcel into which the Lands are consolidated (including by the removal of interior parcel boundaries) or subdivided by any means, including by subdivision under the *Land Title Act* or by strata plan or bare land strata plan under the *Strata Property Act*.
10. **Further Acts** – The Owners shall do everything reasonably necessary to give effect to the intent of this Agreement, including execution of further instruments.
11. **Severance** – If any part of this Agreement is held to be invalid, illegal or unenforceable by a court having the jurisdiction to do so, that part is to be considered to have been severed from the rest of this Agreement and the rest of this Agreement remains in force unaffected by that holding or by the severance of that part.
12. **Amendment** – This Agreement may be amended from time to time by agreement between the Owners and the City. Except as otherwise expressly provided in this

Agreement, amendments to this Agreement must be made by an instrument in writing duly executed by the Owners and the City.

13. **Deed and Contract** – By executing and delivering this Agreement each of the parties intends to create both a new contract and a deed of covenant executed and delivered under seal.

As evidence of their agreement to be bound by the above terms, the parties each have executed and delivered this Agreement under seal by executing Part I of the *Land Title Act* Form C to which this Agreement is attached and which forms part of this Agreement.

CONSENT AND PRIORITY AGREEMENT

WHEREAS:

- A. [Name of land owner(s)] (the "Owner") is the registered owner of the land described in Item 2 of Part 1 of the *Land Title Act* Form C to which this Agreement is attached and which forms part of this Agreement (the "Land");
- B. The Owner granted [Name of chargeholder] (the "Prior Chargeholder") a [identify mortgage or other charge] which was registered against the title to the Land in the New Westminster Land Title Office under number [insert registration number] (the "Prior Charge");
- C. The Owner granted to the Corporation of the City of New Westminster (the "Subsequent Chargeholder") a section 219 covenant which is registered against the title to the Land under number one less than this Consent and Priority Agreement (the "Subsequent Charge"); and
- D. Section 207 of the *Land Title Act* permits the Prior Chargeholder to grant priority over a charge to a subsequent chargeholder.

THEREFORE THIS CONSENT AND PRIORITY AGREEMENT WITNESSES THAT IN CONSIDERATION OF \$1.00 AND OTHER GOOD AND VALUABLE CONSIDERATION RECEIVED BY THE PRIOR CHARGEHOLDER FROM THE SUBSEQUENT CHARGEHOLDER (THE RECEIPT AND SUFFICIENCY OF WHICH IS HEREBY ACKNOWLEDGED):

- 1. The Prior Chargeholder hereby consents to the granting and registration of the Subsequent Charge and the Prior Chargeholder hereby agrees that the Subsequent Charge shall be binding upon its interest in and to the Land.
- 2. The Prior Chargeholder hereby grants to the Subsequent Chargeholder priority for the Subsequent Charge over the Prior Chargeholder's right, title and interest in and to the Land, and the Prior Chargeholder does hereby postpone the Prior Charge and all of its right, title and interest thereunder to the Subsequent Charge as if the Subsequent Charge had been executed, delivered and registered prior to the execution, delivery and registration of the Prior Charge.

As evidence of its agreement to be bound by the above terms of this Consent and Priority Agreement, the Prior Chargeholder has executed and delivered Part 1 of *Land Title Act* Form C which is attached hereto and forms part of this Agreement.

END OF DOCUMENT

APPENDIX 7
