Dear Mayor & Council, City of New Westminster:

We are residents living on Second Street in New Westminster and whole-heartedly support the Heritage Revite Agreement project under consideration at 328 Second Street. I do hope you see fit to approve it as-is and allow construction to proceed.

We have looked at the plans on the site signage as well as the website. This looks to be a major upgrade of the current property while keeping the feel for the surrounding homes. Most importantly it will bring new residents to our neighbourhood which makes the community better for us all.

Again, we support this project in whole.

Sincerely,
Richard, Shannon and Sophie Patterson
